**Re: Mitel Cloud Services, Inc. - Request to Cancel Certificates of Public Convenience and Necessity and Withdraw Tariffs  
Docket No. 2007-155-C**

Dear Ms. Boyd:

I am writing on behalf of the South Carolina Telephone Coalition regarding Item No. 1 on the Utilities Agenda for this week's Commission meeting. In its letter to the Commission filed on August 5, 2019, Mitel Cloud Services, Inc. requests cancellation of its Certificates of Public Convenience and Necessity ("CPCNs") and withdrawal of its tariffs. Mitel asserts that it provides "VoIP and a variety" of other services. It is unclear from the letter exactly what services Mitel provides and whether or not those services require a CPCN. We respectfully request that this matter be carried over until we have had an opportunity to review the request in more detail and respond as appropriate.

Thank you for your assistance.

Very truly yours,

Burr & Forman LLP
